CMHC FOUNDATION

Building Healthy Lives & Community

We are a private non-profit supporting organization for the Connecticut Mental Health Center, an enduring partnership between the Connecticut State Department of Mental Health and Addiction Services and the Yale School of Medicine Department of Psychiatry. We raise and administer funds and sponsor programs and public education that help people in recovery sustain healthy and meaningful lives in the community.

We give people in recovery what they need to live successfully in our community:

- › Financial assistance for unmet personal needs and for emergency veterinary care for beloved pets
- › Support through sponsored programs and access to resources and opportunities that enhance quality of life

We strive to cultivate a spirit of charitable giving and service through:

- › Personalized Donor Relations
- › Direct Appeals
- › Community Fundraising Events
- › Peer, Student and Volunteer Service Opportunities
